

THE POTTER'S HOUSE PHILOSOPHY STATEMENT AGREEMENT

The Potter's House is an innovative Christian school in a multi-cultural urban setting. The school is non-denominational and evangelical in nature; our main purpose is to provide solid Christian education for a broad range of children who might not normally have the opportunity to attend a Christian school. In order to insure a broad social and cultural range within the student body, tuition is based on a percentage of the parental income rather than on a fixed rate.

The Potter's House offers Christ-centered education. Since God is the center of reality, the Bible will be taught as having significance in all areas of life. Christian discipleship and decision-making will be emphasized. The basics will be taught with sensitivity given to each child's learning rate and interests.

Through personalized education using a rich language experience for language arts, The Potter's House seeks to make education meaningful and exciting for all students. The needs and unique talents of each child will be underscored in the curriculum. Since present information is multiplying at fantastic rates, The Potter's House does not seek to pump isolated facts into students' minds. The goal is rather to produce children that know how to use information to think critically and make wise decisions. The Potter's House seeks to develop students that love to learn and will continue to learn on their own throughout their lives.

The Potter's House considers the first 4-6 weeks of school a probationary time for new students. During this time administration will monitor the student's progress (academic effort and social behavior) to confirm proper placement. If it is determined that a different placement is more suitable, the administration will advise parents and make the necessary adjustments. The Potter's House administration will determine final placement.

The Potter's House believes that education is most successful when the family environment is supportive of learning. For this reason, parental participation will be required at The Potter's House. Parents will be required to make a commitment of service to the school on a regular basis.
